

## OZZ SQR 3" Driving light LED

OZZ Lights SQR 3" driving light, delivering high performance in an ultra-compact form. A dynamic white/amber start-up position light adds a premium visual signature to any build. Despite its size, it outputs 3500 lumens at 5000K and reaches 1 lux at 375 m. Designed for tight installations, the SQR 3" offers flexible mounting for single, paired, or multi-lamp setups across ATVs, motorcycles, custom builds, and trucks.
