

## OZZ SQR 5" Work light LED

The OZZ SQR 5" Work Light brings the series' squared aesthetics and high-output performance to a compact format, delivering 4500 lumens at 5000K for clear, comfortable illumination. With a 1 lux reach at 75 m and a wide flood beam, it offers excellent forward visibility and broad near-field lighting—ideal for equipment, job sites, and general work areas. Built for dual-purpose use, it also features a Double Flash warning mode to enhance safety in low-light or roadside conditions. Finished in Black, it's engineered for durability and versatile, professional-grade performance.
